Our Club:-

The objectives of the NRCMC are to encourage the restoration, preservation, and riding of older motorcycles. Through its various activities, the club promotes classic motorcycling and the links to a bygone era with several organised monthly rides as well as our involvement in displaying our bikes at charity functions etc.

The club holds its annual Classic Rally in September each year. The club Show and Shine is held in March. Club members also attend rallies organised by other clubs throughout the year.

The club endeavors to cater for families and all members partners and children are most welcome to attend any meetings or outings. Membership of the club is for those who have an interest in restoring and riding classic motorcycles

Monthly Meetings

Monthly meetings are held on the second Tuesday of each month in the Clunes Memorial Hall, Walker Street in Clunes. They start at **7.30 pm**. Membership \$40 per annum, fees due - now changed to end of March.

From the presidents chair

Members are still talking about our rally, and how well it went with members in attendance assisting. Some of the talk was about their feeling and what they saw happening from start to finish. The comment about our members being like family, where help is given without the need to ask as they can see when a job is needed to be done or just lending hand is needed. We, as a club are very like a family, be it a large one, when I think about it, members assist each other in many and varied ways not just at the rally but throughout the year just about on a weekly basis. Just recently the Wednesday ride went to help a member with his machine as they heard about his misfortune. Our common hobby brought us together but our humanity and friendship get us assisting others with no reward needed other than seeing a smile on our friends face as their problem is lessened with our involvement. It is well worth thinking about and the thought that I brought us several months ago "*Friends are the Family we choose for ourselves*". So members don't forget about the NRCMCC rego day Sunday 17th November and the family Christmas Party Sunday November 24th as per the club magazine. It will be good to see you all.

With the talk about the generosity of our members I wish to talk about the generosity of our club sponsors. I happened to be one of the people who set up the rally raffle table and it was heart warming to see the generosity of the businesses who advertise in our magazine. This year's display of merchandise was outstanding and the comments of our visitors and members as they saw the array were amazing. **So to all our wonderful sponsors a heartfelt Thank You for your generosity** we hope the partnership between us will continue and that our members continue to patronise your businesses to the benefit of us all.

The AGM is on the horizon and we need members to assist in the running of the club please think about the executive & committee positions for the following year. David our wonderful secretary has ended his three year stint and we need someone to step in to fill this position, please talk to me if you are unsure of the job but remember we are all there to assist you as you learn the job.

Keep up right Mary Walker

The Clubs 2019 AGM will be held on Tuesday 10th December, so start thinking, about nominating for the various Executive, Committee & other Official positions,

* **19.11.2019** is 21 days before AGM and last date for notice to members of AGM if there are any special resolutions on the AGM Agenda

* **26.11.2019** is 14 days before last date for notice to members of the AGM.

* **03.12.2019** is 7 days before last date for Committee Member Nominations Close.

Nomination forms will be available At the Nov club Meeting, and also printed below. So if you're in a hurry to beat the Rush, print and fill it out, then post or hand it to the Secretary who will hand all nominations, **unopened** to The Returning Officer at AGM

This form applies only for the Positions of President, Vice President, Secretary, Treasurer and committee person of which there are three positions, all other positions are nominated for at the AGM

REMINDER, LAST LUNCH FOR YEAR. Hasn't the year flown past, faster than a speeding Norton. Last lunch is on Friday 15th November. At Workers Club Lismore From noon onwards. In Clubs Sining Room. Come and join us, good menu for all tastes and pockets and of course lots of tall tales and crashed bikes. bad buys and bargains. Enquiries Peter Lake (02)285872) or Eric Wilson (02) 66243157, or just turn up the doorman w2ill guide you See you there Merry Xmas

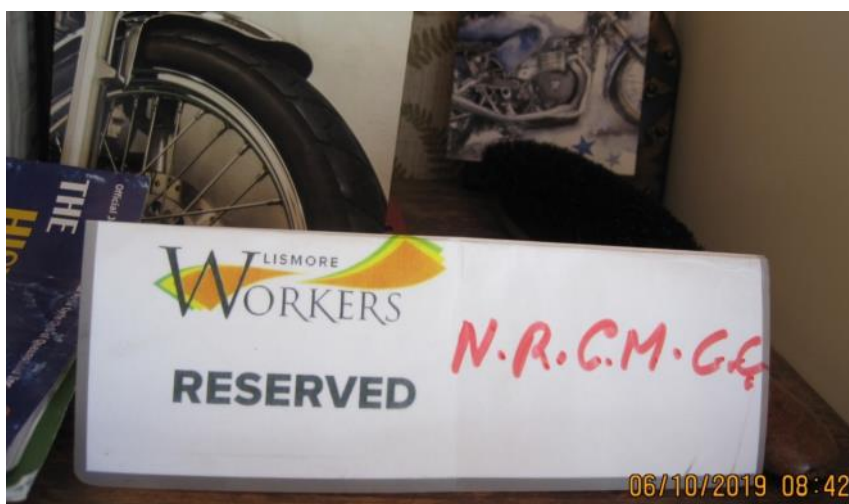

Rob Andrew writes During my convalesce and shortly after surviving the rigors of the ICU ward at Lismore Base Hospital, I saw this entry (below) on the NRCMCC electronic news-page via my wi-fi-enabled laptop at St Vincents :-

"Next NRCMCC social event From Eric - Next Lunch will be at Workers Club, Keen St LISMORE, on FRIDAY the 30th AUGUST. STARTS AT 12.00 noon, dining room. All welcome, bring a mate or neighbour. Specially like to see older ex or current members. Contact Peter 02 66285872 or Eric 02 66 243 157".

What a good idea I thought - and made a diary entry ! But I wondered if other older members, who were not yet "on computer" and nowadays did not have a printed newsletter to remind them had received it too.

On entry to the Cedars Bistro it could be seen that the Workers Club, with their usual hospitality to local clubs, had reserved us a full table (see photo) - thus around half a dozen members + one guest enjoyed lunch and discussion on bikes, plus future plans for our Club. I think we all enjoyed the lunch and now look forward to the next. A suggestion was also floated that in future personal transport for older members could be arranged.

Our thanks for organising this relatively new club event go to Peter and Eric.'

CLUB RIDES

Noel writes The last Wed run {23rd Oct} we decided to check out the water level of the Toonunbar Dam. Travelling via Cawongla to Kyogle and then onto the road to the dam. Apart from several klms of road under reconstruction it was a very good run but certainly the countryside was extremely dry with a noticeable reduced amount of cattle trying to graze in the near barren pastures.

On return to Kyogle the Sugar bowl coffee shop was made good use of and the 10 members on the run enjoyed the refreshment stop. No where near the longest run we have had (170 klms return) but certainly very enjoyable.

Toonunbar Dam
sadly very low in water level.
