Classic Torque

Our Club:-

The objectives of the NRCMC are to encourage the restoration, preservation, and riding of older motorcycles. Through its various activities, the club promotes classic motorcycling and the links to a bygone era with several organised monthly rides as well as our involvement in displaying our bikes at charity functions etc.

The club endeavors to cater for families and all members partners and children are most welcome to attend any meetings or outings. Membership of the club is for those who have an interest in restoring and riding classic motorcycles .

Some information on coming club rides.

Club Patron , The club does not currently have a patron. Our immediate past patron was Jack Ahearn {1924-2017}

From the Presidents Chair

Vale John Sheldon. John passed away suddenly in hospital; he will be sadly missed by those who knew him as he was a lovely person. The committee and members offer our condolences to his family and friends.

John was a member for many years participating in many cub events until work took him to far North Queensland where he captained a fishing boat and on the North West shelf in Western Australia to captain Ships on the oil/gas fields. We as a club journeyed on the Richmond River to Coraki on John's boat The Benalong for one of our Christmas Parties. When John Moved the Benalong to Ballina we once again had a great time cursing the Richmond River. This was awhile ago as you all know it now the Wilson River.

Please see below regarding Motorbike Stolen from John's property while he was in Hospital.

Rego day 15 November will be held once again at our residence 14 James Gibson Rd Clunes with these restrictions, we are allowed 30 visitors on the property at any given time with the number of registrations needed to be carried out we will need to have those who need to get registrations done to phone me on my mobile 0429662915 only as our land line/emails are not working due to lightening strike. I need to gauge the numbers needing rego's, I will message you time slot.

The idea is to have 25 club members for one (1) hour to have rego's done and a quick cuppa and chat keeping in mind the 1.5 distance rules. There will be several 1 hour time slots allotted throughout the day. These time slots need to be adhered to and when your time to leave is up you must leave. **IT IS IMPORTANT that you book in**

I am unsure as to how many rego's are needed so I will slot you into these 1 hour meetings, but I won't know who wishes to attend until everyone has contacted me. If the numbers are low we may be able to extent your visiting time. If there are too many we may use November 22 as an extra Rego day. Restrictions are starting to ease but not enough to allow our Christmas party.

Ladies Day 20 November. If you wish to join the club ladies at Evans Head for shopping and lunch please contact myself or Julia 66293358 for more information.

Cheers Mary

VALE Following on from Presidents message

With the passing of club member John Sheldon, What makes his passing even sadder is that the day before, his property was broken into ...The suspect thief is described as being .
