Classic Torque

Our Club:-

The objectives of the NRCMC are to encourage the restoration, preservation, and riding of older motorcycles. Through its various activities, the club promotes classic motorcycling and the links to a bygone era with several organised monthly rides as well as our involvement in displaying our bikes at charity functions etc.

The club endeavors to cater for families and all members partners and children are most welcome to attend any meetings or outings. Membership of the club is for those who have an interest in restoring and riding classic motorcycles .

Note : if you receive this Newsletter by post, check/confirm that any activities listed here are STILL on.. Emails will be sent out advising the status of events prior to the date advertised, check your inbox..

Some special dates and Events , coming up soon.

Note changed time of Rally meeting

Next Club Run Sunday 14th August—Ride to Tumbulgum via Cabarita and Pottsville

From the Presidents chair The rally planning is all locked in and it is looking to be a great time.

Things we still need:

Marshalls for Saturday please add your name to the marshalling sheet

Cooking for Saturday morning tea we will need it early Saturday morning, cardboard boxes available at August club meeting for this please pick one up.

Members to fill in their rally form – especially if you want meals

#We need back up vehicle & driver Assistance throughout the week end

OUR SPONSORS: - many of the businesses who sponsor our rally by donating items for our raffle have been badly affected by the two major floods. The idea that this year we give a little back to these businesses through a donation to them was well received by the members present at June meeting. We are showing businesses that we care and support their business and do not want to place an additional burden on their finances. It is hoped that with the donation to the business will add a little more and we are able to get goods for our rally raffle.

Please remember to support our sponsors many of them have supported the club for many, many years and also support all local businesses as they struggle to get their businesses up and running.

Don't forget our club members who were impacted by the flooding they to need your support , a visit maybe just what they need.

The club with our new fill in Treasurer and secretary is running well, a special thank you to Marc & David. I would also like to give a massive thank you to our Vice President Tony Harvey for chairing the July club meeting and for all of the running around he has done to get things sorted for the rally.

Cooler weather is here which gives us the opportunity to ride comfortably on our machines though the roads are not in the best of conditions so please ride with care.

Membership Cards: - Marc has printed these and will be handing them out at August meeting and beyond.

Frostbite Rally at Allora:- those who attended said that this rally well and truly lived up to its name with cold mornings and cold nights. The ridings were good and the areas they went to lovely. Bryson & I were unable to attend at the last minute due to Positive COVID tests. Cheers Mary

Frostbite Rally

About 8 members of the NRCMCC ventured into Qld in July for this years Frostbite Rally hosted by the Warwick branch of the HMCC of Qld.

* So question no. 1, did it live up to it's name? Absolutely!

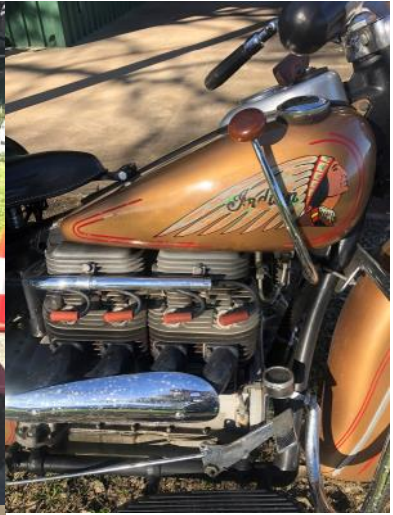

*Question no.2, was it worth it? Oh YES, it was!

This is our third Frostbite Rally and we enjoy the small country town hospitality this branch seems to be able to replicate every time we come. The rally is based at the Showgrounds come campground of Allora and in the middle of winter which we surprisingly loved. There were over 100 bikes entered and it was great to see so many early 1900's bikes and more Indians than you'd see in a John Wayne movie. The members of the Warwick branch always make us feel welcome and the roads and scenery are always spectacular. They have shared our recent rain so the countryside looks fantastic. It's not a big or a long km run event but well worth the trip over the hill. Again, we didn't starve and all enjoyed the hospitality and scenery of the granite belt in sunny but frosty part of SE Qld. ... Michael Smith

There was a strong wind blowing thru the restaurant

A Horse, A Chicken & A Harley:

On the farm lived a chicken and a horse, both of whom loved to play together.

One day the two were playing, when the horse fell into a bog and began to sink.

Scared for his life, the horse whinnied for the chicken to go get the farmer for help!

Off the chicken ran, back to the farm. Arriving at the farm, he searched and searched for the farmer, but to no avail, for he had gone to town with the only tractor.

Running around, the chicken spied the farmer's new Harley.

Finding the keys in the ignition, the chicken sped off with a length of rope hoping he still had time to save his friend's life.

Back at the bog, the horse was surprised, but happy, to see the chicken arrive on the shiny Harley, and he managed to get a hold of the loop of rope the chicken tossed to him.

After tying the other end to the rear bumper of the farmer's bike, the chicken then drove slowly forward and, with the aid of the powerful bike, rescued the horse!

Happy and proud, the chicken rode the Harley back to the farmhouse, and the farmer was none the wiser when he returned.

The friendship between the two animals was cemented: Best Buddies, Best Pals.

A few weeks later, the chicken fell into a mud pit, and soon, he too, began to sink and cried out to the horse to save his life!

The horse thought a moment, walked over, and straddled the large puddle.

Looking underneath, he told the chicken to grab his hangy-down thingy and he would then lift him out of the pit.

The chicken got a good grip, and the horse pulled him up and out, saving his life.

The moral of the story?? (yep, you betcha, there is a moral!)

"Mayday! Mayday! I'm in a light plane off Botany Bay and the pilot has just had a fatal heart attack! I am flying upside down at 10,000 feet and travelling at 240knots. Mayday! Mayday!"

"Calm down. We acknowledge you and we'll guide you down after a few questions. The first thing is not to panic, remain calm! How do you know you're travelling at 10,000 feet?"

"I can see that it reads 10,000 feet on the altimeter dial in front of me."

"Okay. That's good, remain calm. How do you know you're travelling at 240 knots?"

"I can see that it reads 240 knots on the airspeed dial in front of me."

"Okay, this is great so far, but it's heavily overcast, so how do you know you're flying upside down?"

"The pee in my pants is running out my shirt collar!"

The Rally Route

- The Rally will meander through the beautiful Northern Rivers countryside taking in some of the neighbouring townships in the area. As many of you will know we have been devastated by two large floods in February and our area is still struggling to get back on its feet.
- The Rally Itinerary and meal vouchers will be provided at a "Meet & Greet" Friday evening or before the main ride Saturday morning
- Route Marshalls be provided by the NRCMCC. Marshal briefing prior to each ride.
- Visitors' cars that are driven on the ride are asked to remain behind the last rider for rider's safety. Please let Mary know of you are driving your car so we can let the marshals know.

Backup vehicles

- Friday and Saturday rides the backup vehicle will follow the ride.
 Riders have 5 minutes from arrival of breakdown vehicle before the bike must be placed on the trailer.
 This will ensure the smooth running of the rally and we appreciate your cooperation in this.
 It is the owners' responsibility to ensure their bike is secure on the trailer.

Breakfasts

- A cooked breakfast will be available at Evans Head Bowls Club on Saturday at your cost payable on day. Supplied by local community volunteers.

All rides on all days depart from Evans Head Bowling Club CarPark

Last word from the Editor.

Many Thanks to Michael Smith and to all those who froze on the frostbite rally just to make some great photos for these pages , and as always many thanks to Mary, Terry S. Neil . And our face book page contributors , Cheers DBM
