Classic Torque

Last NRCMCC club run for 2012

Not sure whether it was the chance of rain or it just getting close to Christmas that reduced the rider numbers for the Sunday run to Frank Widow's place in Ballina. We only had approximately a dozen riders to make the run from Bangalow via the Coast road through Suffolk Park, Ross Lane and back into Ballina. A few riders chose to come direct from their home so Frank ended up having about twenty members for morning tea. B-B-Q sausages, curried egg and lettuce sandwiches and the best darn Christmas cake I have ever eaten were there to be had.

On behalf of the club I thank Frank and ?????? for putting on this wonderful spread.

# Tenterfield, the first club run for the year 2013

This annual event was on again in January, leaving Lismore on a very hot and dry Saturday afternoon. A few of our members chose to leave earlier to avoid some of the heat but still by the time we met up with the rest of the group at Casino we had a dozen riders. Plans to meet up with our Bon-albo members somehow went adrift, no one real sure why but everything turned out ok as we all

made it into Tenterfield after the mandatory refreshment stop at Drake. I have to admit that this was the first occasion I have seen so many club members actually drinking cordial when there was cold beer available. We were just all too hot to drink beer. Much fire and smoke from the still burning forest and the back burning being carried out by the volunteer firemen, not to mention the melting bitumen, made the trip very hot and challenging.

Arriving in Tenterfield the top priority was a mostly a cold shower before heading into the Royal Hotel. As usual the hotel provided an excellent choice of

evening meals for the 15 of us, crumbed lamb cutlets being the favourite.

Sunday morning after the usual continental breakfast half of us decided under the guidance of Peter who we then duly elected as tour guide, rode up to see the magnificent views offered at Mount Mackenzie, approx 15 klms west of Tenterfield. Check the photos (good one Pete), so much smoke and fog we were flat out seeing where to go let alone seeing any views.

We sort made up for it by then stopping at the old Tenterfield railway museum and it was certainly interesting and it is a credit to the Preservation society as all the exhibits were in really good order. After a morning coffee we then made our way down to Drake for lunch. As we finished the sky was getting noticeable darker so as a precaution we all

donned our wets. As it turned out we made the right decision as the closer we got to Casino and Lismore the heavier the rain. Actually it was a relief riding in the cool condition compared to the day before and we got home safely after an excellent weekend. (see page 9 for more pictures

*The view would be great if you could see through the fog and smoke!*

## **Have you paid your NRMCC fees yet?**

According to the model Constitution, clause 4 b, fees must be paid within three (3) months of the AGM. This means that unless you are financial by the March meeting your Historic Bikes are considered UNREGISTERED and cannot be legally ridden even on a club sanctioned event.

If someone who is overdue on paying his fees gets picked up by the RMS or police while riding his historic bike they could face substantial repercussions and this would also reflect badly on club.

***If this applies to you, please pay ASAP.***

## Welcome to the Editor's desk for 2013

Starting off the new year we have already been busy with three mid-week runs and a club run to Tenterfield. Rain has already played a part in our participation of club events with the run to Cramm's Farm not supported because of the wet.

Have to say there is quite considerable interest in weekend overnight events as they have always been well supported and offer an increased social aspect. We had 15 members attend the dinner at the Royal Hotel in Tenterfield and the atmosphere and food were great.

There has been quite a few comments this year on the abandonment of vehicle registration labels but members who have Classic Bike registration must still show the rego label otherwise be prepared to cop a fine if caught without it. On the subject of registration! Please Note: membership fees for our NRCMCC must be paid by no later than the next monthly meeting in March or you will be deemed unfinancial and any "Historic bike registration" you have will be deemed **unregistered**.

I am still recovering from the latest cyclone which descended on us late in January as a fifty foot pine tree from the neighbours yard fell on our patio. It is great to have such good friends in our club to rely on. Ray spent an entire day helping me cart the tree to the tip via car trailer. Thanks Ray and I hope everyone in the club survived the cyclone ordeal without mishap.

*Cheers Noel*

# President's Report for February

Firstly I wish to thank the members for their confidence in electing me to this position. In its present state **OUR** club is very healthy and enthusiasm abounds. The old story "it's a hard act to follow" could not be more accurate as the previous committee have done a tremendous job during a period where a lot of work was needed with the change of Constitution and refining the Club Rules. Many long hours were spent achieving this to the benefit of all members.

Thanks must also be given to Noel who has been providing the members with possibly the best motorcycle club magazine I have seen. The club's website also rates among the best with thanks to Dieter. The Club's Library is also a great asset, with Richard being the driving force.

Thanks also to Tony and Lena for their efforts with the annual "Over the Hill Run".

The events committee are planning well ahead and a large variety of rides are on offer for the coming year.

Our annual Rally was a success last year and I'm sure it will be bigger and better this year. The involvement of our members is vital to ensure the Rally's smooth running and all should be proud of their efforts and support.

I look forward to the next year and hope the weather gods give us plenty of opportunities to ride and show off our bikes.

Regards, Col. McAndrew

## Wake-Up and laugh

Here's a funny story to start your day with a smile – don't go telling too many stories when you're next at the supermarket

### Banned from Woolworth's

Yesterday I was at my local Woolworth's store buying a large bag of Winalot dog food for my loyal pet and was in the checkout queue, when a woman behind me asked if I had a dog.

What did she think...? I had an elephant? So, since I'm retired and have little to do, on impulse I told her that no, I didn't have a dog, I was starting the Winalot Diet again. I added that I probably shouldn't, because I ended up in hospital last time, but I'd lost 2 stone before I woke up in intensive care with tubes coming out of most of my orifices and IVs in both arms.

I told her that it was essentially a perfect diet and that the way that it works is to load your pockets with Winalot nuggets and simply eat one or two every time you feel hungry. The food is nutritionally complete, so it works well and I was going to try it again. (I have to mention here that practically everyone in the queue was now enthralled with my story.)

Horried, she asked me if I ended up in intensive care because the dog food poisoned me. I told her no, I stepped off the kerb to sniff an Irish Setter's arse and a car hit me.

I thought the guy behind her was going to have a heart attack, he was laughing so hard. I'm now banned from Woolworth's.

Better watch what you ask retired people.  
They have all the time in the world to think of daft things to say.
