Slow bike run to Casino 16/10/11

By still maintaining their popularity these types of events are proving to be the ones the members prefer as Sunday monthly runs. More than two dozen motorcycles left Lismore Rail (yes

Laying down the strict instructions before the run to Casino

definitely a nice day) after being given a briefing by “Field Marshal” Peter Lake who obviously did not want a repercussion of the “Stuff up” as in his last monthly club run.

No marshals were actually needed as everyone was conversant with the route directions and the ride being led at a reasonable cruise speed for all. Naturally the option for more enthusiastic speed riders is always present so it does not matter what speed or how slow you prefer to travel depending on the type and age of your motorcycle.

The ride proceeded to Casino via Caniaba along the Spring Grove Road to Webb Park, beside the Richmond River. The only minor concern was on one particular sharp curve in the road the surface had been resurfaced with the usual (dreaded by us two wheel fanatics) heavy layer of loose small gravel. I did hear a couple of them say that they nearly had to change their undies as they did not see the caution sign. Just shows that most of us (even those who are of a mature age) can control our bikes under all road conditions.

On arrival at the Park we were served hot coffee with home made cake by Dave Bonhote-Mead (made especially by his wife). On behalf of the members I offer a special thanks as it made the ride that much more enjoyable.

Motorcycle Awareness Social Ride

On Sunday 23rd last month a charity ride was organised by Nicholas Kostyn of the Northern Rider publication in aid of the Lifeline Northern Rivers organisation in their campaign for "Compression against Depression". It was an overwhelming success as approximately 200 riders took part in the 198 klm event.

The day commenced at the Lismore Rail Park with the enrolment and breakfast and of course the viewing of the huge display of the multitude of various motorbikes. Cruising along to the first stop at Uki with riders ahead and behind as far as one could see was quite an experience. Following the regroup stop at Uki the next part of the ride was over the Burringbar range to the Channon then on to the Eltham Hotel where a number of raffle prizes were won by some lucky riders.

REMINDER OF RESTORATION TROPHY FOR 2011

Members are reminded of the rules for entering a restored machine in this year's Jack Ahearn restoration trophy.

1. Machine can be any make or model bike provided it is 30 years old this year.
2. It must be a model as it left the manufacturers factory, and not a later conversion to a street bike or special such as a Rickman or a Norvin.
3. It doesn't matter how long you have been working on it, it must be finished and registered on full road plate or a historic plate this year and before 31st December
4. You can notify Eric Wilson or John Cafe of your entry anytime but must have the machine available for inspection in January 2012 by John, Eric, and Jack Ahearn

So come, be famous and get your name on this beautiful trophy when the winner is announced at the first club meeting in 2012.

“Doc’s Tip’s” (Just a tick!)

Just a reminder that we are in the midst of the tick season. While most people are aware of the shellback tick (a hard backed tick) and its association with paralysis, there are other ticks which can cause problems. The small grass tick can cause intense irritation and you usually get multiple ticks at once. The soft bodied cattle tick can transmit bacterial infections like cellulitis (a skin infection) a relapsing fever (to lay people the symptoms resemble a short self limiting malaria). Q fever and typhus are often tick associated illnesses. If you have a tick you can spray the little nasty with Aeroguard and remove with tweezers. If they are embedded go to your surgery as we have special tick removers.

PS: make sure all domestic animals, especially pets, cats and dogs, are wearing tick collars and examine them regularly.

Mid-week run

For this particular run I had the privilege to ride the latest offering from Honda, in the guise of a dual purpose x-country and superb long distance touring bike called a X-Runner. I didn't ride it on the dirt but there is no reason it would not be competent in doing this very well. Powered by an 800cc V4 engine it was very smooth and of course had plenty of get up and go. Cruising along in 6th gear at 100 kph the engine was ticking over at 4,000rpm and checking the red line on the tacho, it was set at 12,000rpm this meant the motor was spinning at only 1/3 of its capability. With its 21.5 litre tank, long distances can be covered between fuel stops which I think is a great idea when most of the manufacturers nowadays insist on only having much smaller capacity fuel tanks. We covered 100 klms on our run and the fuel gauge only dropped 1 spot.

Rob Andrews, our mid-week run organizer set this run to a new coffee venue Peter had found along Sextonville Road, Casino and it was a definite thumbs by everyone. As luck would have it, Ray's "Not so trusty Norton" let him down just short of the coffee stop and as it was impossible for him to get it going again, he rang his much more dependable wife Tracey who dually arrived with his ute plus all the carrying bits. Her first words on arrival were "where is the old shitheap".

After discussing all aspects of motorcycling racing, classic bikes and long hair and enjoying the good coffee we rode back to Lismore (except one Norton) via Coraki Road and Tatham. I enjoyed riding the new Honda X-Runner and thank Dale and Rob from Ongmac Honda

President's Report / November 2011

Again I apologize for not having a report for some time, owing to work commitments. Well another Annual Rally has been and gone, the feedback from both visitors and members has been all good. Congratulations to ALL involved with the organising both before and on the days. Thanks everyone that marshalled the back up team, morning tea/lunch helpers and the BBQ team (thanks Tony Harvey) and the vote tally team.

Congratulations to all the trophy winners and thanks to Jack Ahearn for doing a trophy presentation, also Doug Hampson for the club trophy presentation and to Julie for organising the presentation dinner.

Although numbers were down due to other rallies been held elsewhere at the same time, it was a good turn out and the weather was kind at least till approx 2.45 pm SundayWOW!!! After a couple of hours shovelling hail and picking up broken bits and pieces we were worn out.

Thanks go to the rally committee, Mary & Bryson, Col and Nancy, Eric, Peter and Katrina, also Michael Smith for organising the raffle for the night. Thanks to Shannons's Insurance and all the businesses that donated prizes for the many raffles. Please don't forget to support these businesses.

From the Editor's desk

I have to start with a correction on the front page of the October newsletter where I stated Michael Smith's Ariel was a 1947 model and previously owned by Michael's father when it should have read: 1951 model and restored and owned by Julia's father and imported into Australia by Michael 2 years ago.

On behalf of our club I would like to offer our sincere condolences to our long serving member Terry Savins and his family on the passing of his dad Geoffrey who supported our club in many ways including driving the back up vehicle on some of our "Over The Hill mob runs" and a venue for morning tea after a slow bike run to Evans Head.

As the year is fast approaching an end and next month on the Sunday 11th is our Christmas and registration Day, all members are reminded to bring along something for the raffle baskets. It is always a good day to bring out your "Classics" for rego, enjoy a steak and a drink and generally have a great social get together.

Just a reminder that if you are interested in an overnight run and if we can get enough starters we will endeavour to have a weekend stopover at the Royal Hotel in Tenterfield on the third weekend in January 2012 (14/1/12) to co-inside with the Drake run on the Sunday. Refer to page five for more details.

Wake up & laugh a little

A Scottish love story

An elderly man lay dying in his bed. While suffering the agonies of impending death, he suddenly smelled the aroma of his favourite scones wafting up the stairs.

He gathered his remaining strength, and lifted himself from the bed. Leaning on the wall, he slowly made his way out of the bedroom, and with even greater effort, gripping the railing with both hands, he crawled downstairs.

With laboured breath, he leaned against the door-frame, gazing into the kitchen. Were it not for death's agony, he would have thought himself already in heaven, for there, spread out upon the kitchen table were literally hundreds of his favourite scones.

Was it heaven? Or was it one final act of love from his devoted Scottish wife of sixty years, seeing to it that he left this world a happy man?

Mustering one great final effort, he threw himself towards the table, landing on his knees in rumped posture. His aged and withered hand trembled towards a scone at the edge of the table, when it was suddenly smacked by his wife with a wooden spoon.....

'F**k off,' she said, 'they're for the funeral.'

Inner Peace:

If you can start the day without caffeine,

If you can always be cheerful, ignoring aches and pains,

If you can resist complaining and boring people with your troubles,

If you can eat the same food every day and be grateful for it,

If you can understand when your loved ones are too busy to give you attention any time,

If you can take criticism and blame without resentment,

If you can conquer tension without medical help,

If you can relax without alcohol,

If you can sleep without the aid of drugs, ...Then You
Are Probably The Family Dog!

Our Club's objectives :-

The objectives of the NRCMC are *primarily* to encourage the restoration, preservation, and riding of older motorcycles. Through its various activities, the club promotes motorcycling and the links to a bygone era with several organised monthly rides as well as our involvement in displaying our bikes at charity functions etc.

The club holds its annual Classic Rally in September each year and entry is open for everybody to attend regardless of the type or age of their machinery. Club members also attend rallies organised by other clubs throughout the year.

The club endeavors to cater for families and all members partners and children are most welcome to attend any meetings or outings. Membership is open to anybody with an interest in motorcycling and there is No prerequisite to currently own a new or old motorcycle.

Monthly Meetings

Monthly meetings are held on the second Tuesday of each month in the Clunes Memorial Hall, Walker Street in Clunes. They start at 7.30 pm. Membership \$40 per annum, fees due in December.

Organised Runs

A breakfast run is held on the Sunday immediately following the club's monthly meeting. We meet in the car park, next to the top roundabout in Bangalow 8.30 am or Lismore Railway 9 am. Every other Sunday can be a club run but members must contact the Events Organiser. There are also 2 Mid-week runs departing Lismore Railway on 1st and 4th Wednesday of the month at 9 am. Contact Rob Andrews on 6621 4083.
