From the Presidents Chair

I am amazed how rapidly this year is drawing to a close with the November registration day and the Christmas party quickly approaching. I have enjoyed this year as president of the Club and working with the committee has been easy. The club is lucky that they have members will to put in hours of their time to keep the club running. I would like to thank each of them for their diligence and hard work.

As I write this I think of the Club, a group of like minded people who enjoy motorcycling. They are also a group of people many of who are very close friends, like family, who I enjoy socialising with, while others are friends who I know and share my passion of motorcycling with. It is so nice when a deeper friendship is built and the line between club member and friend is crossed. So to all of you, be you club member and/or friend I thank you for, for your participation in my life this year and making my life so much fuller.

This year has been an amazing year for me, through our attendance of many rallies I have built a friendship with many more motorcyclists & vehicle enthusiasts. I have also learnt to ride a most amazing motorcycle in the form of the Veteran 1915 BSA. This motorcycle as you can well imagine is not your normal motorcycle being the vintage it is, it comes with its own quirks and behaviour some of which are not nice, like jumping into gear when you least expect it, or shaking so much, loosening of bolts and nuts or making me feel like a well stirred/shaken martini. Five years ago I wouldn't have thought in my wildest dreams that in 2018, I would not only own , but be riding a veteran motorcycle, but you never know what is around the corner for us. Bryson saw that Kingaroy was hosting the veteran motorcycle Rally and I thought why not. The decision made we would camp for a couple of days and follow the veteran bike around on their daily ride. On seeing and hearing the machines all lined up waiting to go sparked our interest so we stayed for the whole week. That week opened up a whole new avenue of motorcycling for us which we are now enjoying immensely.

So members, if possible, try something different but keep riding your wonderful machines and enjoying your friendship and interactions with your club members. I wish you all a great Christmas with family and friends.

Cheers Mary

The club holds its annual Classic Rally in September each year. The club Show and Shine is held in March. Club members also attend rallies organised by other clubs throughout the year.

The club endeavors to cater for families and all members partners and children are most welcome to attend any meetings or outings. .Membership of the club is for those who have an interest in restoring and riding classic motorcycles

2, **Reminder** -This Year's **AGM** will be held 11th Dec. Secretary has nomination forms for office holders or Committee position. Any motions are to be given to Secretary 3 weeks before AGM.

3, **Returning Officer** – MW advised members that due to no mention of a Returning Officer in either the club Constitution or the club Operating Rules we must defer to the Model Constitution at item 15 "Election of committee members" where it states that the secretary receives nomination forms – this cannot be changed. It could be overridden by changing our club rules but that requires notifying members 28 days before being brought up at a general meeting. For 2018 the following should apply: nominations should be posted/hand delivered to the Secretary in a sealed envelope with "AGM Nomination" written on the bottom left corner, the secretary to hold these letters unopened until the AGM. At the AGM a non-committee member is to be appointed to receive the sealed nomination forms and conduct any necessary ballot (Peter Harvey has run our elections for years). That member will be given enough time to open the envelopes and to prepare for any election. All nomination forms will be available for scrutineering after any election. This is the only way we can see to do as the club members wish at this time. At a later date this should be brought up again and members notified of intention to change club Operating Rules

The Sidecar Run. Sunday 18th November

3 chairs arrived at the meeting spot. Michael on his BMW. Jack, on his slightly older BMW, with Eric as ballast, and me on my Harley, with Errol as ballast. A few tiddlers were there, plus assorted other historic and modern bikes. After a short shower we headed off past Woodlawn, through Eltham towards Ballina. The weather was looking bleak, and didn't disappoint us with the heavens opening at different times on the trip down. There was a fair bit of debris on the road from recent storms, so between that and the potholes/rough road, the trip on the Harley was jolting and bouncing to say the least.

We got to Ballina and the road was dry, so we had a smooth run to Frank's place. After placing my gear out in the sun to dry, I enjoyed a cup of tea and a banger on a roll. After a bit of a chat, it was time to head home. No rain on the way home, but James Gibson Rd didn't miss me. I needed a Panadol when I got home. Thanks to Pete for being the ride organizer, and to Frank for his hospitality. Errol said his joints had never been looser after he got out at Du-noon ...Terry
